
Judi Ronan wins a \$500 Best Buy shopping spree in the 1st Annual Rounsfull & Associates 1040 Referral Contest!

"I never won anything in my life!"

Judi Ronan is presented with her Grand Prize \$500 Best Buy certificate by Bob Rounsfull.

Four Rounsfull & Associates clients won a shot at the Grand Prize by referring a single 1040 client this past tax season. A random drawing by Bob Rounsfull (using our high-tech "tissue box system") made Judi Ronan our Grand Prize winner. Each client who made a referral also received a \$25 credit, in the form of a discount on their tax fees or a check sent in the mail.

Judi plans to take her family to Best Buy to use her \$500 gift card toward a digital camera. She is very excited to have won a contest for the first time ever and Rounsfull & Associates is happy to be a part of such a momentous occasion!

2002 could be *your* lucky year. All clients will again have the opportunity to win a significant Grand Prize during the 2002 tax season. If you are happy with our services, spread the word to your friends. It could earn you a \$500 prize! Any referral you make during the year that results in the preparation of a 2002 income tax return by our firm will be counted toward the contest. Good luck!
